

Nencki Institute of Experimental Biology

An exhibition marking the 100th Anniversary of the Nencki Institute

2018-01-29

On January 24th, 2018 on the fence of the Nencki Institute PAN off Pasteur Street, an exhibition of photographs to celebrate the 100th anniversary of the Institute was set up. 14 pictures presented paintings from the 1930s and 1950s, and contemporary ones from the laboratories of the Nencki Institute PAS.

Project implementation: Anna Mirgos.
