

Nencki Institute of Experimental Biology

Agreement between the Institute of Protein Biochemistry (Naple, Italy) and the Nencki Institute

2011-12-05

The Agreement has been signed by Prof. Daniela Corada, Director of IPB and Prof. Dr. Adam Szewczyk, Director of the Nencki Institute. Both Institutes will realize the research and scientific projects and educational activities. It will also enable scientific staff and postgraduate students to participate in common conferences and workshops.
