

Nencki Institute of Experimental Biology

Meeting at the Science Station in Mikołajki

2018-01-03

On December 20th, 2017 at the Hydration Station of the Nencki Institute in Mikołajki a traditional Christmas Eve meeting was held with the Institute's Directorate: prof. Adam Szewczyk, prof. Hanna Fabczak and dr Anna Jachner-Miśkiewicz. Station employees received medals and diplomas from the director commemorating the 100th anniversary of the Nencki Institute PAS.
