

Nencki Institute of Experimental Biology

Meeting of the Nencki Alumni Club

2013-05-27

The official part, celebrating the 95th anniversary of the Institute, was open at 2.30 pm with lectures by Prof Leszek Kuźnicki (Mysterious events during Nencki's history), Prof Adam Szewczyk (What has been done in the Nencki Institute during the past five years) and a presentation by Nencki PhD students

completing their postdocs in various European labs.

The official part was followed at 4 pm with a gathering in the Institute's courtyard.

More information available from Nencki Alumni Club coordinator: Prof Jolanta Barańska (j.baranska@nencki.gov.pl).
