

Nencki Institute of Experimental Biology

Nencki Institute at the event "Europe is changing Warsaw 2016"

2016-09-06

There will be many attractions waiting for all those who will be taking part on September 10th-11th in the event "Europe is changing Warsaw", presenting the way in which the European Union affects the contemporary image of the capital.

During the seventh edition, which will take place on Pola Mokotowska one cannot miss the Nencki Institute. Presentations, workshops, shows and animations will be prepared by 40 institutions.

Traditionally, the focal point of the event will be a European Information Point in the Warsaw tent, where projects carried out in the capital co-financed from EU funds will be presented, as well as other cultural and educational activities offers.

The Nencki Institute will present its achievements on September, 10th at. 10.00-14.00.

The program includes 3 presentations:

- Discover the Nencki Institute
- the promoting film material about the Nencki Institute
- Fun with brain.

A detailed program of the events and plan of the tent town can be found on the website:
