Nencki Institute Closer To Nature

2014-06-03

On the 30th May, 2014 at the Nencki Institute PAS (Conference hall of Neurobiology Centre) a May science meeting was held called "The Nencki Institute Closer To Nature". During the meeting lectures were delivered by prof. Joanna Pijanowska (Biology Department WU), prof. Wieslaw Bogdanowicz (Museum and Institute of Zoology PAS), prof. Marek Konarzewski (Mammal Research Institute PAS), prof. Leszek Kuźnicki (Nencki Institute) as well as prof. January Weiner (Institute of Environmental Sciences JU). After the scientific meeting in the Nencki Institute garden an integration meeting was held. Prof. L. Kuźnicki's presentation available on <http://www.slideshare.net/nencki/presentations>
