

# Nencki Institute of Experimental Biology

## Nencki Institute recognized by the European Commission

2013-02-15

---

To date, only 115 research institutions in Europe have been awarded the HR Excellence in Research badge. Joining this circle is a great distinction for the Institute and proves that as an employer it maintains the highest standards of the applied procedures. For details please visit: <http://press.nencki.gov.pl/>
