**Instytut Biologii Doświadczalnej
im. M. Nenckiego PAN
zaprasza kandydatów na
czteroletnie studia doktoranckie**

www.nencki.gov.pl

The recruitment for PhD studies at the Nencki Institute of Experimental Biology is closed. In the first stage of the on-line recruitment 71 applications were received. After the evaluation of the candidates' documents, 35 people with the best score were invited for interviews.

Interviews took place at the Nencki on July 4-5. Finally, 13 candidates were accepted for projects conducted by the Institute of Experimental Biology and 4 for projects conducted cooperation with the Warsaw School of Social Sciences and Humanities.

Additional recruitment will take place in September.
