## Photo exhibition of Plants and Gardens at the Nencki Institute

2016-01-13

---

A photo exhibition of Plants and Gardens was opened on the 12th of January, 2016 in the Exhibition Hall of the Nencki Institute (Neurobiology Centre). The exhibit shows more than 60 photographs by winners and laureates of the international competition *"International Garden Photographer of the Year competition 5, 6, 7"*. The exhibition can be visited until the 12th of March 2016, between 9.00 am. and 3.00 pm.
