

Nencki Institute of Experimental Biology

"Soul Comes to Mind" exhibition at the Nencki Institute

2017-12-19

An exhibition entitled *Soul Comes to Mind* was opened on the 15th December, 2017 in the Exhibition Hall of the Nencki Institute (Neurobiology Centre). The exhibit shows 21 photographs by Łukasz Bożycki, PhD candidate from the Laboratory of Biochemistry of Lipids at the Nencki Institute, prepared as part of an Artistic Scholarship from the Minister of Culture and National Heritage. The exhibition can be visited until the 30th September 2017, between 8.00 am. and 4.00 pm.
