

Nencki Institute of Experimental Biology

START Program scholars at the Nencki Institute

2018-05-25

For the 26th time, the Foundation for Polish Science (FNP) has awarded the START scholarships to 100 most talented young Polish scientists. Among the laureates are 3 scientists from the Nencki Institute:

- Ilona Kotlewska-Waś - Laboratory of Psychophysiology
- Katarzyna Łepeta - Laboratory of Neurobiology
- Katarzyna Żółtowska - Laboratory of Preclinical Testing of Higher Standard
