

# Nencki Institute of Experimental Biology

## The Nencki Institute's cooperation with the University of Portsmouth

2015-03-23

---

On 17-19th the Nencki Institute was visited by Prof. Pal Ahluwalia, pro-rector of the University of Portsmouth UK, Prof. Taraneh (Tara) Dean, Dean of the Faculty of Science, and Professor Dariusz Górecki (School of Pharmacy and Biomedical Sciences). The aim of this visit was to extend a scientific collaboration between the University of Portsmouth and the Nencki Institute which was represented by Professors Adam Szewczyk, Hanna Fabczak, Witold Konopka, Andrzej Wróbel and

Krzysztof Zabłocki. The guest also visited a few laboratories of our Institute.
