

# Nencki Institute of Experimental Biology

## Warsaw PhD School in Natural and BioMedical Sciences

2019-04-09

---

On April 2 2019, at the Nencki Institute, 9 Warsaw scientific institutions signed an agreement to establish, and run a PhD school in cooperation with each other. It will be the Warsaw PhD School in Natural and BioMedical Sciences (Warsaw-4-PhD). The school will commence its activities in October 2019, and will offer interdisciplinary education in 4 scientific disciplines: biology, chemistry, physics, and medicine.

The School will be constituted by 9 scientific institutes:

Nencki Institute of Experimental Biology Polish Academy of Sciences (leader of the School)  
Institute of Organic Chemistry Polish Academy of Sciences  
Institute of Physical Chemistry Polish Academy of Sciences  
Institute of Physics Polish Academy of Sciences  
Center for Theoretical Physics of the Polish Academy of Sciences  
Institute of High Pressure Physics of the Polish Academy of Sciences  
Maria Skłodowska-Curie Institute - Oncology Center  
Institute of Psychiatry and Neurology  
International Institute of Molecular and Cell Biology
