Workshop "Establishing start-up companies in Life Science sector"

2013-04-08

Workshops are targeted specifically for scientists and PhD students who lead or are establishing their own business, or for those who are considering such a possibility in the future. Workshops will be held by Roland Kozłowski, PhD and will take place on April 18th and 19th at 10 a.m., at the Nencki Institute, hall 2. The number of seats in the lecture hall is limited, therefore we ask you to confirm your attendance by an e-mail to m.borkowska@nencki.gov.pl.
