

Nencki Institute of Experimental Biology

XVII Scientific Meeting for Biology Teachers at the Nencki Institute

2018-12-03

On December 1st, 2018, the 17th Scientific Symposium for Biology Teachers was organized by the Nencki Institute and the BioCentrum of Science Education. Over 40 people from all over Poland took part. They listened to 5 very interesting lectures, 3 of which were prepared by employees of the Nencki Institute: Paweł Boguszewski, Rafał Czajkowski and Kacper Kondrakiewicz. The guests were also prof. Magdalena Fikus and prof. Krzysztof Skowronek.
